

YOUR THOUGHTS ON THE READINGS

- Each week we will begin the seminar by going around the group and giving individual thoughts on what we read.
- No discussion until everyone has said something!

DISCUSSION

- Talk to each other, not just me
- Ask questions if you need clarification on what someone has said
- Don't interrupt!
- You don't need to raise your hand but please try to consider your 'airtime' and how much you've spoken in relation to others.
- Don't put down someone else's ideas - explain why your interpretation differs (or ask a follow-up question!)
