first thought: oh, it must be one of the old songs... I've just

just couldn't figure it out at all, because I'd just woken up. It just

for gotten which one. I said to myself: I wonder what it *is*, you know.

sort of kept tumbling out with those chords. I thought: well this is

very nice, but it's a nick [from a nong]. I don't know

what it is.
