

MARY-ANN CLAWS

WHEN WE PLAY THE BAS

• How do we treat our data once we

have considered it?

• sensitively, but critically!

reporting to 'show and tell'.

• Mixing methods where we need to

•...to observe attentively without

**LET'S TAKE OUR TIME.**

A photograph of actor Mark Wahlberg. He is sitting, looking directly at the camera with a serious, slightly skeptical expression. He has dark, wavy hair and is wearing a black long-sleeved shirt. His hands are clasped in front of him.

**LET'S GET  
QUALITATIVE.**

(but also quantitative when required)

rockbands..

inboards.

• Laws on financials are disproportionately underrepresented in

• but disproportionately overrepresented as assistants when they are
