

THOUGHTS ON THE READINGS

- We'll go around the room once giving individual thoughts on what we read.
- What did you think of the overall argument?
- Were there any particularly interesting points?
- Were there any particularly *poor* points?
- What would you have done differently?
- No discussion until everyone has spoken!
- Make notes.

DISCUSSION

- Talk to each other, not just me
- Ask questions if you need clarification on what someone has said
- Try not to interrupt!
- You don't need to raise your hand but please try to consider your 'airtime' and how much you've spoken in relation to others.
- Don't put down someone else's ideas - explain why your interpretation differs (or ask a follow-up question!)
