

THE RESEARCH ASSIGNMENT

- 5000-6000 words.
- Frame with a clear question.
- Look at the issues at within that question.
- Evaluate the existing relevant research.
- Conduct a small study.
- Your study will be limited and that's okay! Consider in your writing how it could be further developed.

YOU AND YOUR RESEARCH INTERESTS

- Tell us a little about you...
- ...and a little about your research interests.
- However formed or unformed.
