

(DONALDSON)

REFLECTION IN ACTION

early in their careers.

• According to Schon...

• The Beatles immersed themselves deeply in the music of others

Spontaneous behaviour based on learned skill expressed

• 'we simply find ourselves doing these things.'

something which cannot be said in verbal logic.

PRIERREBORRUEU

HABITUS

cultural capital (or knowledge).

• To be a cultural producer you

• . . . and develop a 'feel' (or **habitus**)

must first acquire the relevant

natural.

• Youth therefore immerse yourself...

world, or field) normal and

• which becomes (in your cultural

**I wish I could understand
this article properly**

**but
my habitus won't let me**
