

— Maxwell, p. 109

We need to weigh the kinds of claims we are

advancing carefully against our own

aspirations and beliefs.

DEFINING GRAPHY

practices which, as a priority, take

• 'A model of engaging with cultural

co-gnizance of "issues of

community".

practices and traditions.

• No absolute methodologies - but

• Fieldwork - pays attention to lived

embodied experiences.

**DAY 46: I HAVE GAINED THE ALPACAS'
TRUST**

**THEY STILL DO NOT KNOW I AM A
SHEEP**

memegenerator.net

• People rather than representations.

• Experiences rather than abstractions.

• Is it still ethno-graphy conducted outside a physical field?
